

REVERSE THE SIGNS OF AGEING

You are personally invited to come and experience some of our NEW Paramedical treatments at our **Clinical Week** from Monday 19th March –Saturday 24th March at **HALF PRICE**.

Your Skin Therapist will chose the most appropriate treatment for your skin type and skin concerns to ensure you have the best results possible. This is a great chance to try a new treatment and receive **50% OFF**.

We have treatments for all skin concerns like **LED Light and Rosacea Facial** for sensitive skins. Micro-dermabrasion and Lactic Peels to refine skin **Jessner and Salicylic Peels** for a thickened or breakout skin.

Vitamin A Peels of different concentrations for premature Ageing and sun damage.

NEW TREATMENTS

Epidermal levelling to smooth and refine and remove fine vellous facial hair.

Dermapen (Collagen Induction Therapy), the ultimate Ant ageing treatment.

Cosmelan and the NEW Mini Cosmelan, the most effective pigmentation treatment in the world.

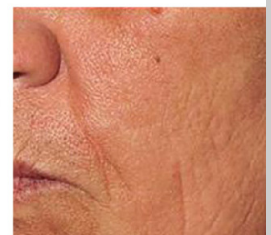

RF Skin Tightening to lift, firm and tighten the skin.
